

Kieran (Tuesday)

I was in hospital when I could vote for the first time

I didn't think about voting much

I didn't have access to a computer

There was not enough newspapers

Sometime I saw the news in the evening

Sometime I didn't see the news

Because I was in hospital I posted my vote

Hospital

I don't know how many other people on my ward voted

We didn't really talk about voting

Hospital

I don't think many people on my ward voted
